Louisville-based Yum! Brands has named Scott Mezvinsky as its new KFC CEO, effective March 1.

Hi guys, I realised that my whatsapp account has been logged out from my phone this morning and I feel rather strange. The next moment when I log in back, everybody was asking me

Get the latest Alphabet Inc Class C (GOOG) real-time quote, historical performance, charts, and other financial information to help you make more informed trading and investment decisions.

The official Microsoft Download Center. Featuring the latest software updates and drivers for Windows, Office, Xbox and more. Operating systems include Windows, Mac, Linux, iOS, and Android.

Microinverters have a few downsides. Because there is a microinverter for each panel, a lot of extra equipment is installed on your roof, which increases costs

We are thrilled to welcome Scott Mezvinsky back to KFC as Global CEO, effective March 1, succeeding Sabir Sami. Scott has been a dedicated leader across Yum!

Yum! Brands, Inc. (NYSE: YUM) today announced the promotion of Scott Mezvinsky (49), to KFC Division Chief Executive Officer, reporting to Yum! Brands Chief Executive Officer David

Although your solar PV system will still produce power without an internet connection, some of the advantages of the micro-inverter system won't be accessible to you if you cannot hook up the system
