My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages--Google searching indicates that the

"Free" absolutely means "free from any sorts constraints or controls. The context determines its different denotations, if any, as in "free press", "free speech", "free stuff" etc.

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

For example, imagine some food company decides to make their fruits permanently free. Online, you can "order" them (for free), but in person, what do you do? What would be the

Similarly, "free education" is funded by the state (which is ultimately financed by taxpayers) and taught in state-run schools called state schools whereas schools that charge tuition

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that English

Whether you're integrating renewables, stabilizing your operations, or seeking cleaner alternatives to diesel, Enerbond's containerized energy storage

Explore the easiest off grid power solution with mobile solar containers for fast, reliable, and scalable energy. Are you interested in using a solar panel container? Or do you need some customized

Contact Dorce Prefabricated Construction today to discuss your containerized energy storage requirements and discover how our modular expertise can

"Free" and "on the house" both mean that you don't have to pay, but the inferred meaning is slightly different. If something is "free" it is without charge. For example, you might
