Fight club is the invention of Tyler Durden, projectionist, waiter, and dark, anarchic genius, and it's only the beginning of his plans for revenge on a world where cancer support groups have...

Discover Guinea. Explore Guinea facts, culture, history & comprehensive country profile with maps, statistics & research resources for students & travelers.

As a leading solar installation company in Guinea, we specialize in designing and implementing

Guinea, country of western Africa, located on the Atlantic coast. Three of western Africa's major rivers--the Gambia, the Niger, and the Senegal--rise in Guinea. Under the name French

Solar panels generate electricity under sunlight, and through charge controllers and inverters, they

Guinea is a predominantly Islamic country, about 90% of Guinea's population are (Sunni) Muslims. Independent from France since 1958, Guinea did not hold democratic elections until 1993 when Gen.

Guinea is named after the Guinea region which lies along the Gulf of Guinea. It stretches north through the forested tropical regions and ends at the Sahel.

Every weekend, in basements and parking lots across the country, young men with good white-collar jobs and absent fathers take off their shoes and shirts and fight each other barehanded for as long as

A gritty, grimy, oft-disturbing story that still manages to effectively explore mental health and masculinity. The first rule about fight club is you don't talk about fight club. Chuck Palahniuk
