Helsinki is a charming seaside city with a unique twist. Located on the shore of the Gulf of Finland, Helsinki is a place where urban culture meets coastal nature.

This power supply allows you to operate your device or charge its battery from electrical power outlets. This adapter converts AC power into the DC power required by your device.

Finland's capital was founded in the 16th century but the city you see today really took shape in the 1800s. This was when the Russians laid out Helsinki along similar lines to St.
