vs X also plays a role of (job-function). My opinion is that "plays a role as" indicates a greater impact on the role and the company, whereas "plays a role of" is more "does the job". My old

The meaning of "role" in the sense of "part played by a person in life" derives from French roll (of paper) on which an actor's part is written, and dates back to c.1600.

As Rwanda accelerates its renewable energy adoption, outdoor energy storage cabinets have

Solar is cheaper, has lower cost variability, and reduces pollution. Beyond urban Rwanda, containerized solutions could serve displaced populations.

Be wary of the fact that Wiktionary gives "roled" word status. It's missing from other online dictionaries, such as Merriam-Webster. At best, I'd say it was an extrapolated word, which is

This chapter first outlines the energy policy environment in Rwanda and the role it has played in

0 role= a function or part performed especially in a particular operation or process We usually say-- play an important role, play a vital role, play a key role, play a prominent role, play a major role etc. role=

Rwanda has emerged as a strategic hub for energy storage solutions in East Africa. With a growing

In my previous role as a cook at General Cuisine, Inc. I focused on egg-based dishes. The word "at" leaps to mind but I would not blink if someone used "in." The crux of the matter is that

The Kigali Energy Storage BMS System is more than hardware--it's a catalyst for Rwanda's energy
