Which verb should be used? Neither you nor I/is/are going to win any money tonight. Changing the sentence to read: Neither one of us is going to win any money tonight. I think that is

Simply put, an EMS acts as an intelligent gatekeeper that keeps systems within the limits established by the National Electrical Code (NEC).

It describes establishing agreements with local medical facilities, displaying emergency contact information, forming an emergency response team, and training workers. The plan coordinator is

Among the critical components of BESS infrastructure is the Energy Management System (EMS), which plays a crucial role in optimizing performance and ensuring seamless ...

Hola, Me gustar#237;a saber c#243;mo puedo decir en ingl#233;s la siguiente frase: "no me hago responsable si ..." No s#233; si se podr#237;a decir: "I don't make responsible if" o "I don't make myself

SETO has funded work with Sandia National Laboratories and Underwriters Laboratory to quantify the potential risks that first responders face when fighting solar rooftop fires.

"Act responsible (i.e. to act in a responsible manner)" may be used in direct speech when giving an order, command, suggestion or advice. "Act responsible," the officer told the soldier.

Hi all, Is it correct to use the structure "be responsible to do something"? e.g. I'm responsible to take care of my family. e.g. He is responsible to do the housework. Many thanks. :)

That's "the state or quality of being responsible," which isn't really that countable. So that stays singular for the most part. Basically, you have to decide which kind of responsibility you're
