"why" can be compared to an old Latin form *qui*, an ablative form, meaning *how*. Today "why" is used as a question word to ask the reason or purpose of something. This use might be

Why is a just a rather odd wh -word. Its distribution is very limited -- it can only have the word *reason* as its antecedent, and since it's never the subject it's always deletable. Consequently it

The history told me nothing why an involuntary, extremely painful spasm, is named after a horse called Charley. Charley in the UK is often spelled Charlie, a diminutive of Charles, and it's

I don't know why, but it seems to me that Bob would sound a bit strange if he said, "Why is it that you have to get going?" in that situation.

Wondering why solar panels cost so much? Learn what goes into a solar panel installation and whether it's still worth it in the long run.
